Jiun **Jeong**

Combined Master's and Doctoral Program Candidate

D815, Engineering Hall 4, 50, Yonsei-ro, Seodaemun-gu, Seoul, 03722, Republic of Korea

(+82) 010-4399-2048 | jiun.jeong@yonsei.ac.kr | programmer-k

Education

Yonsei University   *Seoul, South Korea*
Combined Master's and Doctoral Program in Computer Science   *Mar. 2022 -*
- Supervisor: Prof. Bernd Burgstaller

Yonsei University   *Seoul, South Korea*
B.S. in Computer Science   *Mar. 2017 - Feb. 2022*
- GPA: 4.13/4.3 for CSI courses

Experience

ELC Lab at Yonsei University   *Seoul, South Korea*
Undergraduate Research Intern Supervised by Prof. Bernd Burgstaller   *Jan. 2020 - Feb. 2022*
- Profiling techniques for streaming frameworks in the cloud
- Heterogeneous memory architectures
- Testing and debugging support for Ethereum smart contracts at scale

Publications

Awards

2021	**Excellence Award**, Software Capstone Design, Department of Computer Science, Yonsei University	*Seoul, South Korea*
2020	**Excellence Award**, Software Capstone Design, Department of Computer Science, Yonsei University	*Seoul, South Korea*

Teaching

[CAC1100-01] Computer Programming   *Seoul, South Korea*
Teaching Assistant   *Spring 2022*

[CSI6505-01] Multicore Programming Fundamentals   *Seoul, South Korea*
Teaching Assistant   *Spring 2022*

[CSI4104-01] Compiler Design   *Seoul, South Korea*
Teaching Assistant   *Fall 2022*
